Resonating Ideas, Engineering Futures

September : Turning New Pages, Building New Futures

September is a month that reminds us that transition brings incredible opportunities for personal and intellectual growth. As we step into our 5th semester, it encourages us to remain focused on our core academic goals, embrace advanced learning, and dive into our subjects with renewed dedication. Every lab, lecture, and project completed today sets the foundation for our future success and professional aspirations.The shifting season brings a fresh perspective to our academic journey, symbolizing clarity, balance, and academic maturity. Just as we transition into the crucial later half of our degree, the challenges ahead demand deep focus, resilience, and consistent execution.

Let this September inspire us to balance our heavy coursework with smart preparation, tackle complex problems with confidence, and support one another in achieving absolute excellence.With precision in our studies, active curiosity in our minds, and an unwavering belief in our hard work, every single day becomes a chance to get closer to our core career dreams..

Student Development Program

IOT PROGRAMMING

Department conducted 3-days Student Development Program (SDP) on "IoT Programming" for V semester students from 18.09.2026 to 20.09.2026. Mr. Chidambar Kulkarni, Zonal Head, ALS Bangalore, Mr. Rakshit, Application Engineer ALS Bangalore and Mr. Srinath were the resource persons. The focus of the SDP was to keep the student ready with the current technologies and trends of the IoT. The SDP provided a hands-on training using the IoT kits procured recently. Dr. P. N. Kulkarni Dean Academics, Dr. Mahabaleshwar S. K. Dean (R&D) and ICT and faculty members were present during the inauguration. Dr. Nagarathna R. and Smt. Supriya B. H. coordinated and organized the event. Ms. Soumya K. compered the inauguration, Ms. Apoorva rendered the invocation and Mr. Karthik presented words of thanks.

INDUSTRIAL VISIT

Mukand Sumi Special Steel Limited (MSSSL)

The department organized an industrial visit for the VII Semester E&CE students to Mukand Sumi Special Steel Limited (MSSSL), Kanakapur Village, Ginigera, Koppal, on 12th September 2026. A total of 55 VII Semester E&CE students visited the industry and gained valuable industrial exposure and practical insights into modern manufacturing processes, automation, instrumentation, quality control, and industrial operations. Dr. Santosh B. K. and Dr. Kirankumar Y. B. coordinated the event. Dr. Nagarathna Rajur, Shri. Mahantesh Naik and Smt. Sushma K. accompanied the students during the visit.

TEACHERS' DAY CELEBRATION

The department celebrated Teachers' Day on 5th September 2026 with enthusiasm and respect to commemorate the birth anniversary of Dr. Sarvepalli Radhakrishnan, an eminent philosopher, educationist, and former President of India. The programme was organized to acknowledge and appreciate the dedicated contributions of teachers towards the academic, professional, and personal development of students. The celebration was attended by the Head of the Department, faculty members, and students of the department.

Everyone's life is driven by a teacher..
Be it any stage of life...!
The context and name changes...!!!
As a child, we have mother & father as teachers, sometime siblings...!
When we are growing up the teachers of pre-school, school, primary, secondary, senior secondary..!
During graduation they are lecturers and professors...!
Post graduation and doctoral, they are professors and guides...!
In our careers they are heads, bosses and mentors...!
Some teach, some make us learn, some make us learn to learn, some help us to understand ourselves, some inspire, and someone's life itself is like "BOOK"...!
Life is a continuous process of learning, unlearning, relearning and TEACHING..! A day to remember and acknowledge all from whom we learnt to learn and teach..!!!
Happy Teacher's Day....

ENGINEER'S DAY CELEBRATION

The department celebrated Engineers' Day on 15th September 2026 to commemorate the birth anniversary of Sir M. Visvesvaraya, one of India's most distinguished engineers, statesmen, and visionaries.

The programme was organized to recognize the significant contributions of engineers to technological advancement, innovation, and nation building. The event was attended by the Head of the Department, faculty members, and students of the department.

ACTIVITY POINTS PROGRAMME

Sri. S. V. Hanji, AICTE Activity Points Coordinator, Sri. B. Veeresh, Dr. S. P. Parande, Smt. S. S. Metimath handled informative sessions on 12.09.2026 Saturday under AICTE Activity Points Programme.

8th International Conference on Communication and Intelligent Systems (ICCIS 2026)

Organized by

BITS Pilani, K K Birla Goa Campus, India

Certificate of Presentation

This certificate is awarded to

Kirankumar B Balavalad

who has presented the paper titled A Machine Learning Framework for Dynamic Landslide Prediction and Susceptibility Mapping in Kodagu District, Karnataka authored by Kirankumar B. Balavalad, Kirankumar Y. Bendigeri, Ajayakumar C. Katageri, S. B. Kumbalavati in the 8th International Conference on Communication and Intelligent Systems (ICCIS 2026) held at BITS Pilani, K K Birla Goa Campus, India during September 26-27, 2025.

Dr. Kirankumar B. Balavalad presented a paper titled "A Machine Learning Framework for Dynamic Landslide Prediction and Susceptibility Mapping in Kodagu District, Karnataka" in 8th International Conference on Communication and Intelligent Systems (ICCIS 2026) organized by BITS Pilani, K. K. Birla Goa Campus, India on 26.09.2026. The paper is co-authored by Dr. Kirankumar Y. Bendigeri, Dr. Ajayakumar C. Katageri, and Dr. Santosh B. Kumbalavati.

Faculty Corner

CONGRATULATIONS !!!

The Department Staff and Students Congratulates Dr. Mahabaleshwar S. K. for being awarded as "Best Teacher" by Lions Club Bagalkote on 26.09.2026.

Dr. Mahabaleshwar S. K. Head of the Department delivering a session on "Department Profile" during the Student Induction Program (SIP) on 01.09.2026.

Dr. Santosh B. K. delivering a session on "Campus Discipline" during the Student Induction Program (SIP) on 02.09.2026.

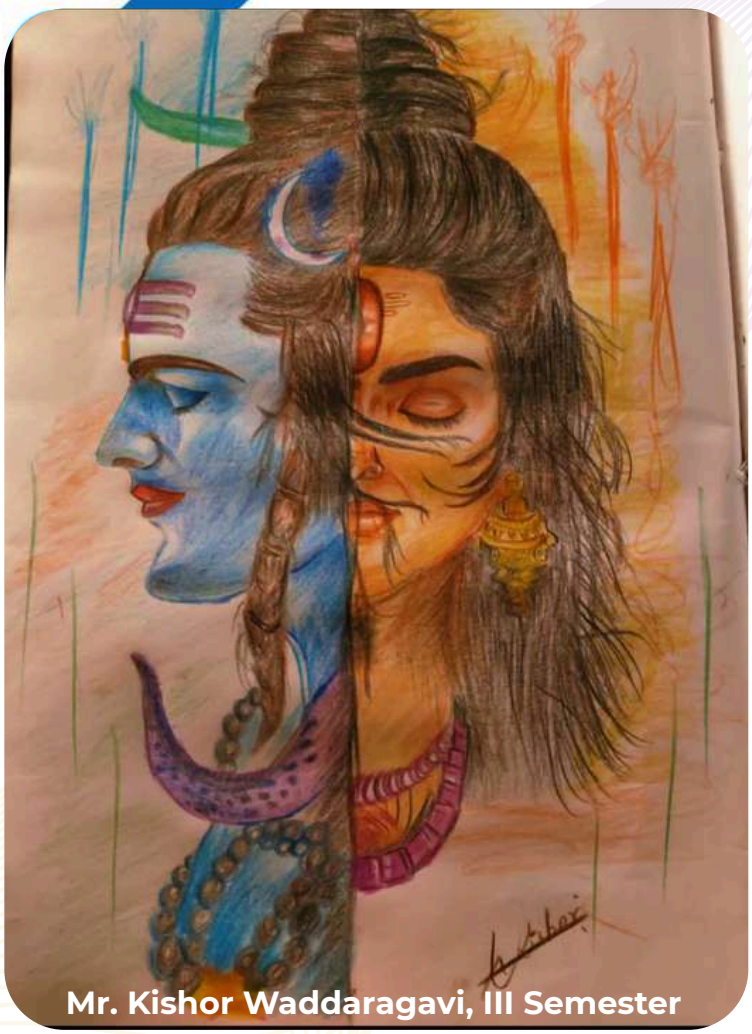

Dr. Kirankumar B. B. delivering a session on "BEC Clubs and Professional Chapters" during the Student Induction Program (SIP) on 04.09.2026.

Demonstration of Advanced FPGA boards by ALS company was arranged in ECE department on 09.09.2026.

COLLEGE

VISION

To be an institution of excellence in education, research and innovation for sustainable future.

MISSION

- Develop globally competent professionals for future talent requirements.
- Nurture a culture of research, Innovation and entrepreneurship.
- Promote collaborations, extension and outreach programs for addressing industrial and sociatal needs.
- Imbibe moral and ethical values.
- Foster ecological and environmental consciousness.

DEPARTMENT

VISION

To achieve excellence in electronics and communication engineering through quality education and research for developing competent professionals.

MISSION

- Foster a dynamic teaching and learning process.
- Encourage research through innovation and collaboration.
- Imbibe moral, ethical values and social responsibilities.
