Name of the event: Study of Agriculture Systems in North Karnataka

Venue: Amaravati village, Hunagund Taluk

Date: 2019

Time: 10:00 AM-12:00 PM

Type of Activity: Outreach Activity

Number of Participants: 20 Students

Event Coordinators: Dr. Basanagouda Ronad, Asst. Prof., EEED BEC

Activity Photographs:

Name of the Event: Three Days Empowerment Programme on Electrical Energy,
Power Systems and Safety Practices

Venue: Seminar hall, EED, BEC

Date: 05.01.2026 to 07.01.2026

Time: 10:00 PM – 05.00 PM

Type of Activity: Outreach Activity

Number of Participants: 57

Event Coordinator: Dr. Basanagouda F. Ronad, Asst. Prof., EEED BEC

Activity Photographs:

The poster is for a three-day empowerment programme. At the top, it features the logos of Basaveshwar Engineering College and HESCOM. The text reads: 'B.V.V.Sangha's BASAVESHWAR ENGINEERING COLLEGE, BAGALKOTE Department of Electrical and Electronics Engineering and HUBLI ELECTRICITY SUPPLY COMPANY LIMITED Jointly Organizing Three Days Empowerment Programme on Electrical Energy, Power Systems and Safety Practices for HESCOM Powermen, BEC Technical Staff & Private Electricians 5th to 7th January 2026 EEED Seminar Hall'. The background of the poster shows a faint image of a power transmission tower.

Basaveshwar Engineering College

Department of Electrical and Electronics Engineering

IEEE Power & Energy Society Student Chapter

Bagalkot-587102

About the Department :

The Department of Electrical and Electronics Engineering was started with the inception of the college in the year 1963. It has well-equipped laboratories with state-of-the-art equipment. The department offers a graduate program of four years (Eight semesters) leading to a B.E. degree in electrical and electronics engineering. The UG program has an intake of 60 students per year. Department also offers M.Sc. engineering by research & Ph.D. programs.

Best Practices of the Department :

- Professional Society – IEEE-PES Students Chapter (35261A)
- R & D Labs – Research based Projects for UG Students
- BEC-REACH – Renewable Energy Activities
- AICTE 100 Activity Points – Data Sheets for Community Information
- Alumni Mentorship Program – Projects, Internship & Career Guidance
- Alumni – Industry Webinar Series – Knowledge Dissemination
- MoU Industry Partners – For Internships, Projects and Technical Guidance
- Outreach Activities: Energy Conservation Public Awareness Programs

Target Participants of the Empowerment Programme :

The program is designed for a diverse group of participants, including:

- Lineman and technical staff working in government electricity supply companies (GESCOM / HESCOM / KPTCL / other DISCOMs).
- Private electricians engaged in installation and maintenance works.
- Technical staff members from various departments of Basaveshwar Engineering College.
- General public/technicians involved in electrical works and minor installations.
- Selected/Interested students from the Department of Electrical Engineering.

About the College

About College (Estd. 1963)

Basaveshwar Engineering College, is a premier autonomous technical institute located in Northern Karnataka. It is a Govt.-aided institution recognized by AICTE, New Delhi, accredited by NBA and NAAC with A grade. College has been under TEQIP Phase-I, Phase-II and Phase-III during the periods 2004-08, 2009-14 and 2015-2022. It is permanently affiliated to Visvesvaraya Technological University, Belagavi. Presently, college offers 11 UG, 6 PG (including MCA and MBA) and 8 Research Centers (recognized by VTU) with student strength of 3500+ on campus. Highly qualified and committed faculty drive the academic, curricular and co-curricular excellence on the campus.

Vision and Mission of the Institute

VISION

To be an institution of excellence in education, research and innovation for sustainable future

MISSION

- Develop globally competent professionals for future talent requirements.
- Nurture a culture of research, innovation and entrepreneurship.
- Promote collaborations, extension and outreach programs for addressing industrial and societal needs.
- Imbibe moral and ethical values.
- Foster ecological and environmental consciousness.

Vision and Mission of the Department

VISION

To be in the global forefront of education, research and innovation in Electrical and Electronics Engineering to meet energy, ecology, industrial and societal needs

MISSION

- Develop globally competent professionals adapting to technological transformations in the field of Electrical and Electronics Engineering
- Promote collaborations with higher learning institutes and industries for research, innovation and entrepreneurship
- Imbibe moral & ethical values and render empathetical services to energy, ecology & environmental issues.
