Quotes on Engineering Education

- "The important thing is not to stop questioning. Curiosity has its own reason for existing."
- **Albert Einstein**
- "I don't know what's the matter with people: they don't learn by understanding; they learn by rote."
- **Richard Feynman**
- "Engineering is the closest thing to magic that exists in the world."
- **Elon Musk**
- "Design is not just what it looks like and feels like. Design is how it works."
- **Steve Jobs**
- "Engineers like to solve problems. If there are no problems handily available, they will create **their own problems.**"
- **Scott Adams**
- "The soul and spirit of education is that habit of mind which remains when a student has completely forgotten everything he has ever been taught."
- **Charles Edward Inglis**
- "Scientists investigate that which already is; engineers create that which has never been."
- **Theodore von Kármán**

Alumni Visit – Batch 2012–13

The Department was delighted to welcome the alumni of **2012–13 batch** on **20-06-2026**. The alumni interacted with the faculty and students, sharing their professional experiences, career journeys, and valuable guidance.

The distinguished alumni who visited the department were:

- **Mr. Shivakumar Katti** – *DATA Quality and Process Specialist (Merchandising–PM), Tool & Equipments, Hyderabad.*
- **Mr. Pruthiraj Madbal** – *Working at Ralp Lasers India, Bangalore.*
- **Ms. Gouri Dixit** – *Lead Engineer, HCLTech, Bangalore.*
- **Ms. Savita Nayak** – *Junior Training Officer, Choudapur, Gulbarga.*

The department expresses its sincere gratitude to the alumni for visiting and inspiring the students with their insights and experiences. Their interaction strengthened the bond between the institution and its alumni and motivated students to prepare for successful professional careers.

The Board of Studies meeting was convened on the 27th June 2026 with the objective of conducting a comprehensive review of the academic curriculum. The meeting brought together subject experts, faculty members, industry representatives, and external academicians to critically evaluate the existing course structure and its alignment with current technological and industrial trends. Detailed discussions were held on incorporating emerging areas, strengthening practical components, revising syllabi where necessary, and introducing new courses to meet future skill demands. The Board also examined feedback received from students, alumni, and other stakeholders to ensure that the curriculum remains contemporary, outcome-based, and industry-oriented. After thorough deliberations, the Board formulated several key recommendations aimed at enhancing academic rigor, improving teaching–learning processes, and further elevating the overall quality and relevance of the programme.

The meeting was attended by the following members

External Members	
Dr. Virupaxi Bagodi	Principal & Professor, Government Engineering College, Talakal Mobile:9449973293
Dr. Shravan Kerur	Principal, Biluru Gurubasava Mahaswamiji Institute of Technology(GMIT), Mudhol, Mobile: 93433 31335
Internal Members	
Dr. C.M. Javalagi	Associate Professor & HOD Dept. of I & P. E., BEC, Bagalkote Mobile:9448751788
Dr. S. M. Pharsiyawar	Assistant Professor Dept. of I & P. E., BEC, Bagalkote Mobile:9448534067
Dr. D. D. Chillal	Associate Professor Dept. of Automobile Engg., BEC, Bagalkote Mobile:9880234101
Prof. M. M. G Math	Associate Professor Dept. of Mechanical Engg., BEC, Bagalkote Mobile:9448693977
Student Representatives	
Mrs. Ritika B. Kuri	6 th Semester Student, IPE, BEC, Bagalkote Mobile: 7204754655
Mr. Basavaraj Koujalagi	6 th Semester Student IPE, BEC, Bagalkote Mobile: 9019872630

1. Title of the Programme: *Pathways to Serve the Nation: Engineering Careers in the Indian Army*

This seminar aims to inform engineering graduates about the diverse career opportunities in the Indian Army, focusing on the importance of engineering skills in military operations, the various entry schemes, roles, career growth prospects, and the preparation process, with the goal of motivating students to consider serving the nation.

2. Title of the Program: *Business Plan Presentation Contest (BPPC)*

The Business Plan Presentation Contest (BPPC) seeks to inspire students to develop innovative business ideas and refine their skills in creating and presenting business plans, while providing networking opportunities with industry experts and potential investors to foster entrepreneurial spirit and innovation.

COLLEGE

Vision

To be an institution of excellence in education, research and innovation for sustainable future

Mission

- Develop globally competent professionals for future talent requirements
- Nurture a culture of research, Innovation and entrepreneurship
- Promote collaborations, extension and outreach programs for addressing industrial and societal needs

DEPARTMENT

Vision

To achieve excellence in education and research in Industrial and Production Engineering for a sustainable future

Mission

- Develop globally competent professionals in Industrial and Production Engineering by imparting quality education
- Nurture a culture of research, innovation, and entrepreneurship through collaboration with institutes and industries
