DEPARTMENT OF INFORMATION SCIENCE AND ENGINEERING

OUTLINE

- Faculty Achievement
- Faculty Participation
- Department Activities
- Alumni Achievements
- Placement Activities

“Earth provides enough to satisfy every man's needs, but not every man's greed.”

—Mahatma Gandhi

FACULTY ACHIEVEMENT

Dr. Lokesh B. Bhajantri has been awarded a **Reviewer Certificate by Springer Nature** in recognition of his valuable contribution to the review of one manuscript in the journal of **International Journal of Networked and Distributed Computing** during June 2026. This recognition highlights his academic expertise, commitment to research, and active involvement in the scholarly peer- review process.

FACULTY PARTICIPATION

Dr. Lokesh B. Bhajantri served as a **Session Chair** at the **International Conference on Trustworthy AI for Intelligent Computing Systems**, organized by Amruta Institute of Engineering and Management Sciences, Bengaluru. He chaired technical sessions, moderated research presentations, and contributed to the successful conduct of the conference.

Dr. Shobha R. Patil and Prof. P. K. Deshpande participated in **Research Conclave 2026**, held on 9th June 2026 at the BVVS College of Physiotherapy Auditorium, Bagalkote. Organized by the **BVVS Centre for Basic & Translational Health Research**, the conclave brought together academicians, researchers, clinicians, and students to promote research excellence, innovation, and interdisciplinary collaboration. Their participation reflects the department's active involvement in research and knowledge-sharing initiatives.

Dr. Shobha R. Patil and **Prof. V. S. Patil** from the Department of Information Science and Engineering participated in the **"Say No to Drugs, Yes to Life!"** awareness program organized by the College Internal Complaints Committee (CICC) and the Universal Human Values (UHV) Cell on 19th June 2026 at the BEC Ladies' Hostel. The program featured an interactive session by **Smt. G. G. Biradar**, Police Sub-Inspector, Navanagar Police Station, who created awareness on the harmful effects of drug abuse, cyber safety, and the importance of staying focused on academic and career goals. The event encouraged students to adopt a healthy, responsible, and drug-free lifestyle while promoting awareness of personal safety and digital security.

Dr. Shobha R. Patil and **Prof. V. S. Patil** from the Department of Information Science and Engineering participated in the **Women Safety, Respect and Dignity Awareness Program** organized by the College Internal Complaints Committee (CICC) and the Universal Human Values (UHV) Cell on 19 June 2026 at **Malaprabha BEC Ladies' Hostel-2**. The program featured an interactive session by **Smt. G. G. Biradar**, Police Sub-Inspector, Navanagar Police Station, and **Dr. Basavarajeshwari Hokarani**, who created awareness on women's legal rights, the POSH Act, cyber safety, emergency helplines, and grievance redressal mechanisms. The event emphasized the importance of fostering a safe, respectful, and empowering environment for women.

Basaveshwar Engineering College, in association with the **Ayush Committee**, celebrated the **12th International Yoga Day** on 21st June 2026 at the BEC Main Ground under the theme "**Yoga for Healthy Ageing**". Around 300–400 students, along with participants from neighboring institutions, took part in the event. Guided by Yoga Master **Sri S. K. Kuppast**, participants performed various yogasanas, Surya Namaskar, and pranayama, promoting physical fitness, mental well-being, and a healthy lifestyle. The event concluded with a vote of thanks by **Dr. Manjula Suthagundar**.

“Yoga connects us to ourselves,
Nature connects us to everything.”

DEPARTMENT ACTIVITIES

The **Internal Academic Audit** was organized by the **Department of Information Science and Engg.** on 9th June 2026 to review and enhance the quality of academic process. **Dr. V .B. Pagi**, Professor & Head , Dept. of CSE, BEC, Bagalkot was the external expert. Head of the Dept. **Dr. L. B. Bhajantri** introduced and acknowledged external expert. External expert has examined teaching-learning practices, assessment method, curriculum delivery and given very useful suggestions. Internal Academic Audit helps in identifying strengths and weaknesses in academic processes, improves teaching-learning quality and supports continuous academic improvement.

The **Department of Information Science and Engineering** organized an **Open Day** on 20th June 2026, welcoming prospective students and their parents to explore the department's academic environment and facilities. The department showcased its key achievements, including NBA accreditation, recognition as a VTU research center, experienced faculty, state-of-the-art laboratories, strong placement records, industry collaborations, and student mentorship initiatives.

Parents and aspirants appreciated the department's academic culture, infrastructure, and student-centric practices. Several visitors expressed interest in seeking admission to the ISE program. The event served as an effective platform to highlight the department's strengths and engage with future students, reinforcing the institution's commitment to academic excellence and career development.

The **Board of Studies (BoS)** meeting of the Department of Information Science and Engineering was conducted on 20th June 2026 under the chairmanship of **Dr. Lokesh B. Bhajantri**. The meeting focused on curriculum review and updates aligned with industry trends and academic requirements. Discussions covered syllabus revisions, innovative teaching-learning methods, assessment strategies, and the introduction of emerging technologies and skill-based courses.

The external members, including academicians from leading institutions and industry experts, provided valuable suggestions for enhancing the curriculum and improving student learning outcomes. The recommendations approved during the meeting will contribute to strengthening the quality and relevance of the department's academic programs. The department expresses its gratitude to all members for their active participation and insightful contributions.

The **first-year students** of the Information Science and Engineering (ISE) Department participated in the **IPW Project Exhibition**, where they showcased innovative projects developed as part of their **Introduction to Programming Workshop (IPW) course**. The exhibition provided a platform for students to demonstrate their creativity, technical skills, and problem-solving abilities. The event encouraged experiential learning and fostered interest in technology and innovation among budding engineers.

The Department of Information Science and Engineering, in association with RISE, organized **Viraasat-2026**, a farewell celebration for the **final-year students** on 15th June 2026 at the Open Quadrangle. The event was filled with cultural performances, fun-filled activities, and memorable moments, providing an opportunity for juniors and seniors to celebrate the graduating batch's journey and achievements. Faculty members extended their best wishes, encouraging the students to excel in their future academic and professional endeavors. The celebration concluded on a joyful note, leaving behind cherished memories for everyone.

ALUMINI ACTIVITIES

Ms. Nidhi Bennur, an alumna of the 2023-24 batch, has secured admission to the Master's Degree Programme in Artificial Intelligence for Industrial Applications at Ostbayerische Technische Hochschule (OTH) Amberg-Weiden, Germany. This outstanding achievement reflects her academic excellence, dedication, and passion for advancing in the field of Artificial Intelligence. The Department of Information Science and Engineering congratulates her on this milestone and wishes her continued success in her higher studies and future endeavors.

PLACEMENT ACTIVITIES

Ms. Nidhi Rathi, a Final Year (8th Semester) student of the Department of Information Science and Engineering, has been successfully placed at Sasken Technologies with an annual package of ₹5 LPA. The department extends its heartfelt congratulations on this achievement and wishes her continued success, growth, and excellence in all her future endeavors.

BEC VISION

To be an institution of excellence in education, research and innovation for sustainable future.

BEC MISSION

- Develop globally competent professionals for future talent requirements.
- Nurture a culture of research, Innovation and entrepreneurship.
- Promote collaborations, extension and outreach programs for addressing industrial and societal needs.
- Imbibe moral and ethical values.
- Foster ecological and environmental consciousness.

ISE VISION

To be a premier Centre in Information Science and Engineering distinguished by excellence in education, research, and innovation for sustainable future.

ISE MISSION

- Impart quality engineering education to cultivate ethical, moral and entrepreneurial qualities.
- Carry out interdisciplinary research to fulfill the societal needs.
- Create exemplary young professionals for a sustainable future.

Anti Ragging -

"A true leader uplifts juniors, not scares them."

EDITORIAL BOARD

FACULTY COORDINATORS

- Dr. Lokesh B. Bhajantri - Chief Editor
- Prof. Sheetal M. Pattanshetti - Editor
- Prof Deepa I. Kalappanavar - Editor

STUDENT COORDINATORS

- Samarth Sugandhi (6th Semester)
- Sujay Joshi (6th Semester)
