“ May Day is not an ordinary day because it is a day that cherishes the extraordinary people, the workers!

-Mehmet Murat Ildan

FACULTY ACHIEVEMENT

We are proud to recognize the achievement of **Dr. Lokesh B Bhajantri** for successfully completing the NPTEL course 'Blockchain and its Applications,' demonstrating commitment towards continuous learning and emerging technologies

FACULTY PARTICIPATION

On May 26, 2026, Dr. Kiran, CEO of Ethotech, Bengaluru, visited the Center of Excellence in Robotics and the laboratory facilities at the institution. During the visit, **Dr. Vishwanath Kagawade** and **Prof. P. V. Kulkarni** provided a detailed overview of the facilities, ongoing activities, and innovative projects carried out at the center.

The interaction highlighted the institution's commitment towards advancing robotics education, research, and industry collaboration. The visit served as an encouraging opportunity for strengthening academic and industrial connections in the field of robotics and emerging technologies.

The Department of MCA, Basaveshwar Engineering College organized the inauguration of a 15 days Pre-Placement Training Program for MCA II Semester students in association with Talent Battle from **25th May 2026 to 9th June 2026**. **Dr. Lokesh Bhajantri** delivered an inspiring seminar highlighting industry readiness, skill development, and career preparation. Faculty members and guests encouraged students to utilize the program effectively for their professional growth and future opportunities.

DEPARTMENT ACTIVITIES

The **Department of Information Science and Engineering (ISE)** successfully conducted **Byte & Bite** on 30th May 2026, a vibrant event that brought together innovation, creativity, teamwork, and enthusiasm through two exciting competitions: **Think. Build. Publish** and **Cooking Without Fire**.

Students participated with great enthusiasm, showcasing their technical skills, entrepreneurial ideas, culinary creativity, and collaborative spirit. The event provided an excellent platform for students to learn, innovate, and express their talents beyond academics.

Winners of Think. Build. Publish:

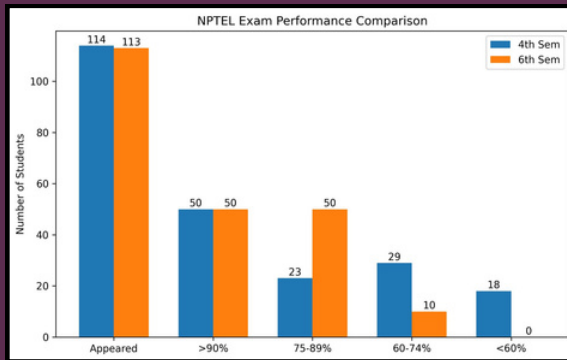

- **1st Prize – Team Pixel**
- **2nd Prize – Team Hacksmit & Team Reel Intelligence**

Winners of Cooking Without Fire:

- **1st Prize – Khana Khazana**
- **2nd Prize – Royal Recipe**

The Department of Information Science and Engineering extends its heartfelt congratulations to all the winners for their outstanding achievements. The department also appreciates every participant for their enthusiastic involvement and contribution to making Byte & Bite a grand success. As participation is more important than competition, every participant deserves recognition for their effort, creativity, and sportsmanship.

ISE ACHIEVERS

The Department of Information Science and Engineering proudly congratulates **Hemank Paliwal and Diva Paliwal** for securing the top positions in the NPTEL course “**Education for Sustainable Development**” with outstanding scores. Their remarkable achievement reflects their dedication, hard work, and commitment to academic excellence.

Adding to the department's achievements, **Ms. Nidhi Rathi** successfully completed the NPTEL course “**Air Pollution and Control**” offered by IIT Roorkee during the Jan–Apr 2026 session. She secured an Elite Certificate with a consolidated score of 79%, achieving 25/25 in online assignments and 54/75 in the proctored examination. She was also recognized among the **Top 5%** performers out of 8,850 certified candidates.

The NPTEL performance analysis also highlights the excellent results of the 6th Semester, where **50 students scored above 90%** and **50 students secured 75–89% marks out of 113 participants**. Notably, no student scored below 60%, demonstrating the strong academic performance of the batch.

These achievements showcase the students’ dedication to learning, the quality guidance provided by the faculty, and the department’s commitment to fostering academic excellence. The Department extends its heartfelt congratulations to all the achievers and wishes them continued success in their future academic and professional endeavors. This exam was conducted in the month of April

Congratulations to the 4th semester student **Suraj Deshpande and team** for securing 3rd place in the events “**DEBATE**” and “**Spin Pitch**” at the Techno-Cultural Fest conducted by KLE BVB from 8th to 10th May 2026. Their excellent communication skills, confidence, teamwork, and innovative presentation abilities contributed to this remarkable achievement. The team displayed exceptional enthusiasm and dedication throughout the competition. Their ability to present ideas effectively and participate with confidence earned appreciation from the judges and audience. This accomplishment reflects their strong critical thinking, creativity, and collaborative spirit. Their success has brought pride and recognition to the department and inspired fellow students to actively participate in such competitive events. The department proudly congratulates them and wishes them continued success and greater achievements in all their future endeavors.

Congratulations to the 4th semester students **Akarsh, Darshan, and Manoj** for securing 2nd Place in the event “**Prompt to App**” at **CIRCUTECH 2026**, held on 26-05-2026. Their achievement reflects their creativity, technical skills, and teamwork. The department congratulates them on this accomplishment and wishes them continued success in their future endeavors.

Heartiest congratulations to **Nikhil, Vivek, and team** for securing 1st Place in the “**BGMI SHOWDOWN**” at **CIRCUTECH 2026**. Their outstanding teamwork, strategic thinking, and competitive spirit contributed to this victory. The department is proud of their achievement and extends its best wishes for future successes.

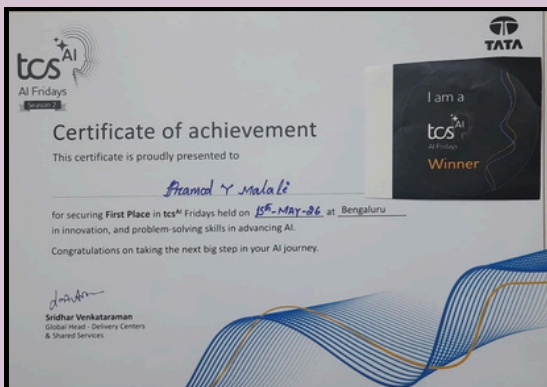

The department proudly congratulates Keertana and Deepika for securing 2nd Place in the event “**Claytopia**” at **CIRCUTECH 2026**. Their creativity and dedication were evident in their impressive performance. The department wishes them continued success and many more achievements in the future.

Congratulations to the 6th semester students, **Sahana Kalhol**, **Sudharani Nagathan**, **Santosh Malabadi**, and team, for securing **1st** and **2nd** places in the **WEBXCELERATE** event conducted by the Department of Computer Science and Engineering on **19th and 20th May 2026**.

Their creativity, technical expertise, innovation, and teamwork played a vital role in achieving this remarkable success in web development. The students demonstrated exceptional problem-solving skills and innovative thinking throughout the competition. Their dedication and collaborative approach helped them excel among the participating teams. The department proudly congratulates them and wishes them continued success and greater achievements in their future endeavors.

ALUMINI ACHIEVEMENTS

We are proud to announce that our alumnus, **Mr. Pramod Malali** (2023–24 Pass Out), currently working at Tata Consultancy Services, secured **1st** Place in the prestigious TCS AI Fridays competition held on 15-05-2026 at Bengaluru. The Department extends its heartfelt congratulations and wishes him continued success in his future endeavors.

On **23/05/2026**, alumnus **Sheenivas Joshi**, a 2021–22 pass-out, actively participated in **“DASAVANI”** a spiritual programme organized on the occasion of Adhika Masa at Bayalu Shree Anjaneya Swami Devasthanam, Jawahar Nagar, Raichur. He beautifully rendered devotional bhakti songs, adding spiritual grace and vibrancy to the celebration.

PLACEMENT ACTIVITIES

Campus Placement Achievement

The Department is delighted to announce that the following 8th Semester students have been successfully selected by Infobell IT Solutions Pvt. Ltd.:

- **Abhishek Vakkund**
- **Arpita Mangalur**
- **Sanjana Hanchinamani**

This achievement reflects their hard work, dedication, and professional competence. The Department extends its heartfelt congratulations to the students on their successful placement and wishes them continued success and growth in their future careers.

4th Semester

BEC VISION

To be an institution of excellence in education, research and innovation for sustainable future.

BEC MISSION

- Develop globally competent professionals for future talent requirements.
- Nurture a culture of research, Innovation and entrepreneurship.
- Promote collaborations, extension and outreach programs for addressing industrial and societal needs.
- Imbibe moral and ethical values.
- Foster ecological and environmental consciousness.

ISE VISION

To be a premier Centre in Information Science and Engineering distinguished by excellence in education, research, and innovation for sustainable future.

ISE MISSION

- Impart quality engineering education to cultivate ethical, moral and entrepreneurial qualities.
- Carry out interdisciplinary research to fulfill the societal needs.
- Create exemplary young professionals for a sustainable future.

Anti Ragging -

"A true leader uplifts juniors, not scares them."
