

SAMVAAD

NOVEMBER 2025

VISION

To be an institution of excellence in education, research and innovation for sustainable future.

MISSION

- Develop globally competent professionals for future talent requirements.
- Nurture a culture of research, Innovation and entrepreneurship.
- Promote collaborations, extension and outreach programs for addressing industrial and societal needs.
- Imbibe moral and ethical values.
- Foster ecological and environmental consciousness.

Basaveshwar Engineering College (BEC), Bagalkote, established in 1963, began with three engineering programs—Civil, Mechanical, and Electrical—and became a government-aided institution in 1968. Today, it offers 9 undergraduate and 8 postgraduate programs, with 10 VTU- recognized R&D centers. BEC has been ranked in the 201–250 and 150–300 bands nationally by NIRF (MHRD) for 2019–20 and 2021–22, respectively. The TEQIP-I grant (Rs. 40.13 crores) from MHRD marked a new phase of growth, enhancing UG, PG, and R&D activities. Granted academic autonomy by UGC in 2007, BEC continues to uphold excellence in teaching, research, and administration, striving for continuous quality improvement through national- level academic audits.

- Department Initiatives
- Upcoming Events

OVERVIEW:

The Department of Information Science and Engineering, established in 1999 with an intake of 30 students, now admits 120. It was the first to offer a B.E. in Information Science in northern Karnataka. The department has qualified and experienced faculty, many of whom have published in reputed journals and conferences. It houses state-of-the-art laboratories with modern computing facilities. The student forum RISE (Rays of Information Science and Engineers) conducts various technical, cultural, and sports events. The department consistently maintains excellent student performance and strong placement records.

To be a premier Centre in Information Science and Engineering distinguished by excellence in education, research, and innovation for sustainable future.

- Impart quality engineering education to cultivate ethical, moral and entrepreneurial qualities.
- Carry out interdisciplinary research to fulfill the societal needs.
- Create exemplary young professionals for a sustainable future.

Newly Joined Faculty

We are delighted to welcome two new faculty members to the Department of Information Science and Engineering. Their expertise and enthusiasm will further enrich our academic community.

DEPARTMENT ACHIEVEMENTS

Student Development Programme

12 Days Student Development Programme, “Mastering Cloud Fundamentals with AWS” was organized by the Department of Information Science and Engineering, in association with BEC-IQAC, from 03-11-2025 to 15-11-2025. The workshop was organized for 7th semester ISE students, BEC, Bagalkote.

Mastering Cloud Fundamentals with AWS

Trainer : Mr. Karanam Guruteja, senior technical trainer from Algo Tutor, Bangalore

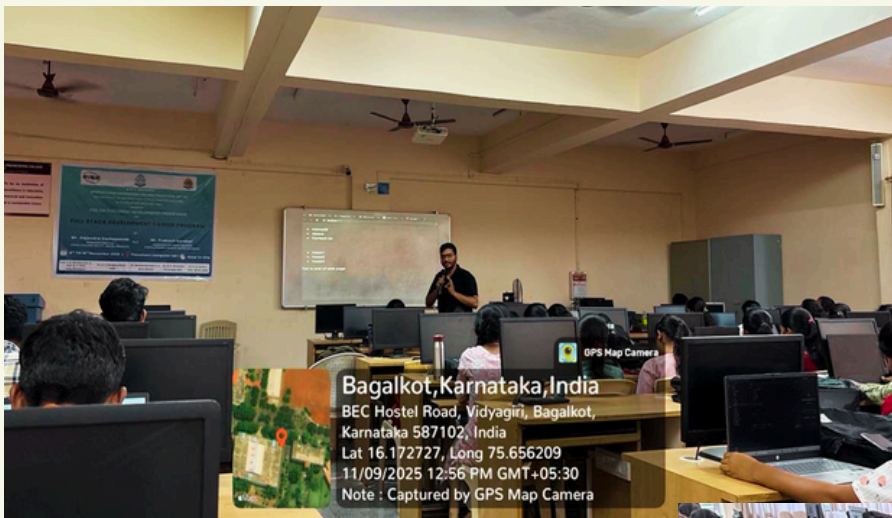

Objective: To provide the students with a comprehensive understanding of cloud concepts, AWS architecture, and practical exposure to a wide range of AWS services.

Conclusion: The workshop concluded with a valedictory session, where the coordinators Dr. S. P. Bangarashetti and Asst. Professor G. B. Shettar and resource persons addressed the participants and shared their feedback.

A Student Development Programme titled **“Full Stack Development career Program”** was organized by the Department of Information Science and Engineering, in association with BEC-IQAC, from 06-11-2025 to 10-11-2025 for 5th Semester Students

Full Stack Development Career Program

Objective: To provide the students with a comprehensive understanding of Javascript concepts for web development, web applications using bootstrap also brings knowledge about style web contents and also brings knowledge about new technology MERN stack.

Conclusion: The workshop concluded with a valedictory session, where the coordinators Dr. S. P. Bangarashetti and Prof. P. R. Muttannavar, Prof. M. R. Patil and resource persons addressed the participants and shared their feedback.

Parents Meet (2025-26)

The Department of Information Science and Engineering organized the Parents Meet for 3rd and 5th semester students on 15th November 2025 at the department seminar hall. A total of 35 parents attended the event. Dr. Sadhana P. Bangarshetti, Head of the Department, presented an overview of the academic system and departmental activities. Parents interacted with faculty to discuss their ward's academic progress, subject-wise strengths and weaknesses, attendance, and performance in CIE-I.

The meeting created a meaningful platform for communication, allowing parents to provide suggestions and feedback to support continuous improvement. It emphasized the importance of joint efforts from both parents and teachers in enhancing student performance and overall development. The department extends heartfelt thanks to the Management, BVV Sangha, and Principal Dr. B. R. Hiremath for their support in conducting the meet successfully.

Guest Talk: "Beyond Boundaries, Beyond Dreams – A New Vision for Studying Abroad"

The talk was delivered by Ms. Neha Mundra, Head of Operations, The Big Leap, who shared valuable guidance on overseas education pathways, the application process, and essential preparation strategies.

The event was held on 18th November 2025 at the Gallery Hall, and was open to all final-year and pre-final-year students. The session ran from 11:15 AM to 12:15 PM, attracting enthusiastic participation and positive feedback from attendees.

The Department of Information Science and Engineering, in association with CICC and the UHV Cell, organized an insightful session titled "Beyond Boundaries, Beyond Dreams: A New Vision for Studying Abroad." The event aimed to guide students on exploring international education opportunities and understanding the evolving global academic landscape.

SPORTS COLUMN

VTU Zonal Basketball Tournament

The VTU Zonal Basketball Tournament was held at Basaveshwar Engineering College on 14 November 2025. Our team proudly secured the Kalaburagi Zonal Championship, showcasing exceptional teamwork and dedication. The team has won the trophy and certificates, which are yet to be distributed.

Participants:

1. Nishchit V Rao (2BA23IS050)
2. Sanjeev Malibiradar (2BA22IS083)
3. Aditya Kashappa Sanadi (2025010061)

Intra-Department Sports

The Department of Information Science and Engineering organized an exciting Intra-Department Sports Meet on 31st October 2025 to 2nd November 2025, conducted by 4th year students to promote physical fitness, teamwork, and competitive spirit among students. The tournament included major outdoor games such as Cricket, Volleyball, Super Six, 3B-3G, Lagori, and Relay, which witnessed energetic participation and remarkable sportsmanship. Indoor games like Badminton (Singles, Doubles, and Mixed Doubles), Carrom, Table-Tennis and Chess allowed students to showcase strategic thinking and individual skills.

Super 6 Winners:

Samarth Nyamagoudar
VeerKumar Killedar
Vishwanath Pattar
Pratik Satyanaik
Abhishek Vadavadagi
Sampath Bagoji

Volleyball Winners:

Samarth Nyamagoudar
Sampath bagoji
Vishwanath pattar
Abhishek babaleshwar
Vinay Hiremath
Abhishek vadavadagi

The Department of Information Science and Engineering organized a fun outdoor and indoor games, on 31st October 2025 to 2nd November 2025, conducted by the 4th-year students to promote teamwork and physical fitness.

Students from the 3rd year (5th semester) participated in "Cricket" with great enthusiasm. The "TEAM ALPHA" led by Pranav Korwar, along with Advait T, Punith B, Samarth S, Vinayak G, Sudeep B, Prateek B, Naveen U, Soham P, Sumeet K, Parth M and Ram Kumar, won the competition with outstanding coordination and team spirit.

Students from the 3rd year (5th semester) participated in "Carrom" with great enthusiasm. The team led by Advait T, along with Punith B, won the competition with outstanding coordination and team spirit.

Students from the 2nd year (3rd semester) participated with great enthusiasm. The team led by Priya L Rathod, along with Anita Nayak, Kanchana M Naik, Ganga Malibiradar, Deepika Kambar, Chandana Patil, and Jayashree M Ibrahimpoor, won the competition with outstanding coordination and team spirit.

Technical Achievements

Kasturi H Biradar (USN: 2BA24IS054, 3rd Semester) secured First Prize in the "Happy Mind, Happy Smile" event for outstanding AI-generated awareness posture/content creation. The contest was organized as part of World Mental Health Day under the theme "Holistic Health: Connecting Mental Wellbeing and Oral Health Care." The event was conducted by Basaveshwar Engineering College, Bagalkote, in association with the Indian Dental Association (Bagalkote Branch), BEC-IEEE Student Branch, PMNM Dental College and Hospital, and BEC Dhvani 90.4 FM.

Super 6 Winners:
Samarth Nyamagoudar
VeerKumar killedar
Vishwanath pattar
Pratik satyanaik
Abhishek vadavadagi
Sampath bagoji
