We currently have tie-ups with two leading PSPs to manage the superannuation funds. LIC & ICICI offer a superannuation scheme which offers interest on accumulated balance every year. ICICI Prudential also has an Unit Linked Superannuation scheme which offers you a market linked return, range of fund options to suit your risk appetite & transparent fund management.

The enrollment option can be exercised only once in the service with the organization and cannot be reversed once made. VSS enrollment window period will, also, be available once every financial year. The Company, on behalf of the member employee, shall contribute 15% of basic salary, towards the scheme selected by the member. In case 15% of basic exceeds Rs.1,50,000 per annum, member employee will have an option to restrict the contribution to Rs.1,50,000 per annum to avoid perquisite tax (perquisite tax is applicable on contributions exceeding Rs.1,50,000 every year).

Annual pension contribution amount is re-adjusted from fixed cash component and will reflect under ‘Pension’ component in the salary stack of the enrolled member. The accumulated contribution amount and the interest earned (or the corpus) can be utilized to avail the retirement benefits.

For further clarity, please refer the Policy on My Wipro -> My Information Sources > India -> My Financials-> Deferred Benefits-> Voluntary Superannuation Scheme. After reviewing the related documents if you wish to enroll into VSS, please log onto My Wipro-> My data->My Financials-> Pension, and exercise the option within 30 days of joining the Company. In case you miss enrolling into VSS in this window period, you can do the same in the window period that is available for all employees once every financial year.

New Hire RSU Award Notice

Dear TULASABAI,

Congratulations on your offer to join AMD! Should you join AMD and subject to approval by Advanced Micro Devices, Inc.'s Board of Directors or its designated committee, you will be awarded Advanced Micro Devices, Inc. Restricted Stock Units (RSUs) as follows. An RSU award is an investment in your future with AMD and is typically granted on the 15th day of the next month following the start of your employment (e.g., a January start date generally has a February 15 RSU grant date), assuming continuous employment through the grant date.

NEW HIRE RSU AWARD DETAILS
RSU Value ($USD): 14,000.00

- Your RSUs will be subject to the terms and conditions of the Advanced Micro Devices, Inc. 2004 Equity Incentive Plan (the "Plan") and its corresponding award agreement thereunder. The number of RSUs granted will generally be determined by dividing your award value (as noted above) by the 30-trading day average closing stock price prior to and including the grant date. The award value is used only to determine the number of shares subject to your RSUs, as described above, and is not meant to guarantee or predict the income you may realize from your RSUs.
- Your RSUs will generally vest as to 1/4 of the number of RSUs on the first, second, third and fourth anniversary of the grant date, unless otherwise specifically indicated in the grant confirmation notice. Vesting of any RSUs is subject to continued active service through each applicable vesting date and the terms and conditions of the award agreement, which will be provided to you as soon as practicable after the grant date.
- If approved, RSUs will be granted by Advanced Micro Devices, Inc. and are separate from your compensation paid by your employer. The RSUs are not part of your employment relationship. This letter supersedes any prior representations or agreements, whether written or oral with respect to the RSUs.
- Advanced Micro Devices, Inc. can grant RSUs to you only if and as long as it is permitted and feasible under the laws of the country in which you reside or the laws to which you may be subject. This letter shall in no way be construed to create an employment relationship between you Advanced Micro Devices, Inc. or any of its affiliates that does not otherwise exist. The terms of your service shall not be affected in anyway by your participation or entitlement to participate in any stock award plans including the Plan or any grants of the RSUs. Such stock award plans shall not form part of the terms of your service (express or implied). In calculating any payment, compensation or damages on the termination of your service for whatever reason (whether lawful or unlawful) which might otherwise be payable to you, no account shall be taken of your participation in any such plans or any impact upon participation such termination may have, unless required by statute.
- You will receive a grant confirmation notice from E*TRADE after the RSUs have been granted and deposited in your E*TRADE account where you can view details of your grant, including the Terms and Conditions of the award agreement and the appendix attached thereto which include details regarding termination of service and forfeiture of RSUs, and any country-specific terms and conditions.
- For your RSUs to remain in effect and begin vesting, you must activate your E*TRADE account on or before the last business day preceding the first vesting date of the RSUs.
