BASAVESHWAR ENGINEERING COLLEGE (AUTONOMOUS)
BAGALKOT- 587 103

Technical Education Quality Improvement Programme - II (TEQIP-II)

Guidelines for award of Seed Grant

Guidelines for Selection

The seed grant will be provided to faculty who satisfy the following conditions

1. The only in-house faculty who have registered for Ph.D.
2. The maximum limit of seed grant is Rs. 2,00,000.00 (Rupees Two lakhs only)
3. The faculty should be a permanent faculty of the college, and has not received any grant or not availed any fees for the research. The faculty has to give an undertaking.
4. The faculty member has to submit a research proposal (format enclosed) in their respective area in advance. The Selection will be based on the presentation and merit of the proposal evaluated by interdepartmental committee, constituted by BOG
5. Pooled reservation will be followed for selection as per the Government norms at the time of selection of proposals
6. The duration for utilization of seed money will be 2 years or completion of TEQIP II project whichever is early

Academic Standards to be met

1. A progress report along with the amount utilized (consolidated) at the end of each year till the completion of the research work has to be submitted to TEQIP-II office/College.
2. The faculty has to produce at least one paper in the international journal at the end of his research

General Terms

1. For procurement of any equipment, TEQIP-II norms needs to be followed
2. The faculty has to return the equipment to the department where he has registered for research after completion of the research work
3. Seed grant amount will be provided in TWO installments based on requirement/demand
4. The decision of BOG is final for all queries related to disbursement and issues pertaining to seed grant.
5. The faculty have to give an undertaking in the format available at TEQIP-II office.
